

Privacy Policy

TUBE-TEC Rohrverformungstechnik GmbH

We take the protection of your personal data very seriously. Therefore, we treat your personal data always and of course in accordance with the legal data protection obligations. We have appointed a qualified and reliable external Data Protection Officer. The external commissioning of data protection will be conducted from UIMC Dr. Voßbein GmbH & Co KG.

In the following, we would like to inform you about the processing of personal data.

Collection and Processing of Personal Data

You can use our website without to disclose your identity. Should we on our website ask for your personal data, e.g. in a contact form or by registering / login and if personal data are queried (in example name, address or email address), we state that the providence of the data is on a voluntary basis. The provided information are used for our own business purposes (sending the requested information).

In case there are any questions we offer you the opportunity to get in touch with us by using the provided contact form on our website. Therefore the fields which are marked as compulsory have to be filled in in order to categories and answer the requests. Additional information can be provided on voluntary base. The processing of data for the purpose of making contact with us takes place in accordance with Art. 6 par. 1 clause 1 let. a GDPR on the basis of your voluntary consent.

The collected personal data resulting of the use of the contact formula are being deleted after the execution of your request and after the expiration of the retention periods according to tax law and commercial law.

Once granted consent- e.g. for the purpose of receiving a newsletter or other interesting information of our company – can be withdrawn anytime with effect for the further, without giving any reasons. For this purpose you can use the above mentioned contact form or an other way stated within the newsletter.

Cookies

This site uses “Cookies”. Cookies are text files that will be stored on your computer and allow analysis of the use of the website as well as recognizes you by your next visit of this website. You can prevent the installation of cookies through an appropriate setting in your browser. However, this could result that you will be unable to use some of the function of this website.

Logging

Every time accessing this website, protocols for statistical purposes will be created and processed whereby single users will remain anonymous:

- » Referrer (site from the link you reached this website)
- » Search terms (by search engines as referrer)
- » IP is evaluated to determine the country of origin and the provider
- » Browser, operation system, installed plug-ins and screen resolution
- » Duration of the visit on the website.

The stated data will be processed by us on the basis of our legitimate interests according to art. 6 para. 1 s.1 lit. f GDPR for the following purposes:

- » Ensuring a trouble free connection establishment to the website
- » Ensuring of a comfortable use of the web site
- » Evaluation of the system security and stability as well as
- » For further administrative purposes.

We reserve the right to check this data subsequently if we have concrete indications of an illegal use. The data will be deleted immediately when they are no longer needed for the purpose they were collected but at the latest after six months.

Transfer of Data

A transfer to Third Parties for commercial or non-commercial purposes will not happen without your explicit consent. We will only transfer your personal data to third parties if this is lawful in accordance with the current laws [e.g.: on the basis of article 6 GDPR] and/or it is necessary. To some extent we appoint service provider for the necessary statutory processing of data; the website is hosted by 1&1 Internet SE, Elgendorfer Str. 57, 56410 Montabaur. The full responsibility for the data processing remains with us. Further on we use to some extent Plug-ins of other service provider on our website; please find details below.

Liability for own Content

The content of these sites has been created with the greatest accuracy. We cannot provide any guarantee for accuracy, completeness and topicality of the content. As a service provider, we are responsible for our own content on these sites according to the general laws.

Liability for Links (Content of Third Party Providers)

It is important to distinguish between our own content and references ("links") that lead to other content from other providers. We have no influence on their content of the linked websites. Here, it is always the provider or the operator of these sites that is responsible for the content.

Copyright

Contents and compilations published on these websites by the providers are subject to German copyright laws. Reproduction, editing, distribution as well as the use of any kind outside the scope of the copyright law require a written permission of the author or originator. Downloads and copies of these websites are permitted for private use only.

The commercial use of our contents without permission of the originator is prohibited.

Copyright laws of third parties are respected as long as the contents on these websites do not originate from the provider. Contributions of third parties on this site are indicated as such. However, if you notice any violations of copyright law, please inform us. Such contents will be removed immediately.

Rights of the data subjects

We hereby inform you that pursuant to Article 15 et seq. GDPR you have the right to obtain information on the personal data concerned, as well as rectification or deletion or limitation of processing or of a right to object to processing as well as of the personal data right to have data portability. Likewise, under Article 77 of the GDPR, you have the right to complain to a data protection supervisory authority if you consider that the processing of your personal data violates the regulations stated in the GDPR. If the processing is based on Article 6 (1) (a) GDPR or Article 9 (2) (a) GDPR (Consent), you also have the right to revoke the consent at any time without affecting the legality of the processing on the basis of the consent until the revocation.

Web analysis with Google Analytics

If you consented to the use of tracking cookies acc. to Art. 6 para. 1 lit. a GDPR upon visiting our website, this website uses Google Analytics, a web analysis service from Google LLC. ("Google"), based on your consent. Google Analytics uses so-called Cookies, text files that will be stored on your computer and allow an analysis of the use of the website. The information about the use of the website produced through Cookies (including your shortened IP address) is transferred and retained on a Google server in the US for the duration of 14 months. Google will use this information to evaluate the use of the website, to prepare reports of website activities for the website provider and to deliver other services connected with the use of the website and the Internet. Additionally, Google may transfer this information to Third Parties if it is legally required or if Third Parties process these data on request of Google. Google will not establish a combination between your IP address and other data from Google. In case you consented to the use of tracking cookies, but wish to withdraw your consent at a later point in time, you can do so by installing a so-called add-on in your browser. The following link leads you to the add-on on the site of Google:

<http://tools.google.com/dlpage/gaoptout?hl=de> [external link]. Alternatively, you can withdraw your consent by erasing the settings of your browser(s) and by refreshing our Overlay-Cookie-Banner.

Change of our Data Protection Regulations

We reserve the right to amend this Privacy Policy from time to time so that it will always comply with the legal requirements or to change our services in the Privacy Policy, e.g. the introduction of new services. In case of your revisit and the privacy policy has changed the new privacy policy will be valid.

Questions

If you have any questions regarding the processing of personal data you can contact our Data Protection Officer who is available with his team in the case of any requests of information, general requests or complaints.
